Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS
A43 ARDLEY ROUNDABOUT / M40 JUNCTION 10**

I am writing to let you know that we will be carrying out essential maintenance work on the A43 Ardley Roundabout and adjoining exit / entry slip roads.

During our comprehensive scheme of work on the A43, we will repair and replace damaged drains, resurface the carriageway, renew any damaged kerbs, refresh road markings and install road studs.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

When will the work take place?

Work is due to start in early **June 2020** and is scheduled for completion by the beginning of **July 2020**.

To keep our programme for these works as short as possible and to minimise disruption to the local community, we will work:

- between 8pm and 6am, Monday to Thursday, Saturday and Sunday
- between 9pm and 6am Friday
- from 9pm Friday to 6am Monday (full weekend closure on a selected weekend)

Please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To maintain a safe environment for our workforce and motorists, we will need to use a mixture of weekend closures, lane and full carriageway closures while we work. During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open, as usual, when we are not working.

How will the work affect businesses and residents?

We will make sure that access to businesses and residences is maintained wherever possible.

Please be assured that all winter maintenance work i.e. gritting of the roads will be carried out as usual too.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.
