Our Ref: Spring Clean 2021

23 April 2021

Cherwell District Council Spring Clean 2021

Working in conjunction with Keep Britain Tidy and the Great British Spring Clean

I am writing to inform you about this year's Spring Clean which is being organised by the Environmental Services team.

The Spring Clean will start on **21 May** and run until **14 June**.

Did you know that you can also recycle with Spring Clean using the clear recycling sacks provided along with the rubbish sacks?

Our clear recycling sacks take the same material as your kerbside blue bin: paper, cardboard, plastic bottles & containers and food & drink cans (inc: aerosols).

Please specify how many gloves you require, we will deliver 1 bundle each of black and clear sacks and 6 litter pickers and Hi-Viz, unless you state you do not require them.

Plus, to simplify the procedure of equipment delivery, we are offering a choice of set delivery and pick-up dates. *See the enclosed form for further details.* If the dates are not suitable please do get in contact with me to arrange a different date.

Any parish council, community group or organisation wishing to take part should return the enclosed form by **Monday 17 May** then we can make the necessary arrangements.

You can register your Spring Clean with the Keep Britain Tidy Great British Spring Clean by going to the link below.
