

OXFORDSHIRE COMMUNITY OIL BUYING SCHEME “AN OIL SCHEME THAT CARES!”

An oil buying scheme based in your community giving you:

- **Support from CFO's friendly team plus additional support from a local volunteer coordinator**
- **Competitive pricing**
- **Great customer service and convenience**
- **Savings on a range of additional products**

The oil scheme is administered by CFO in partnership with a professional fuel buying group, AF Affinity.

HOW DOES IT WORK?

PROFESSIONAL FUEL BUYERS – we use the services of a fuel buying group, AF Affinity, who purchase over 8 million litres of fuel a year.

BUYING POWER – our partner, AF Affinity, is a large buying group with access to a number of suppliers – this means they can identify the best possible price across the market.

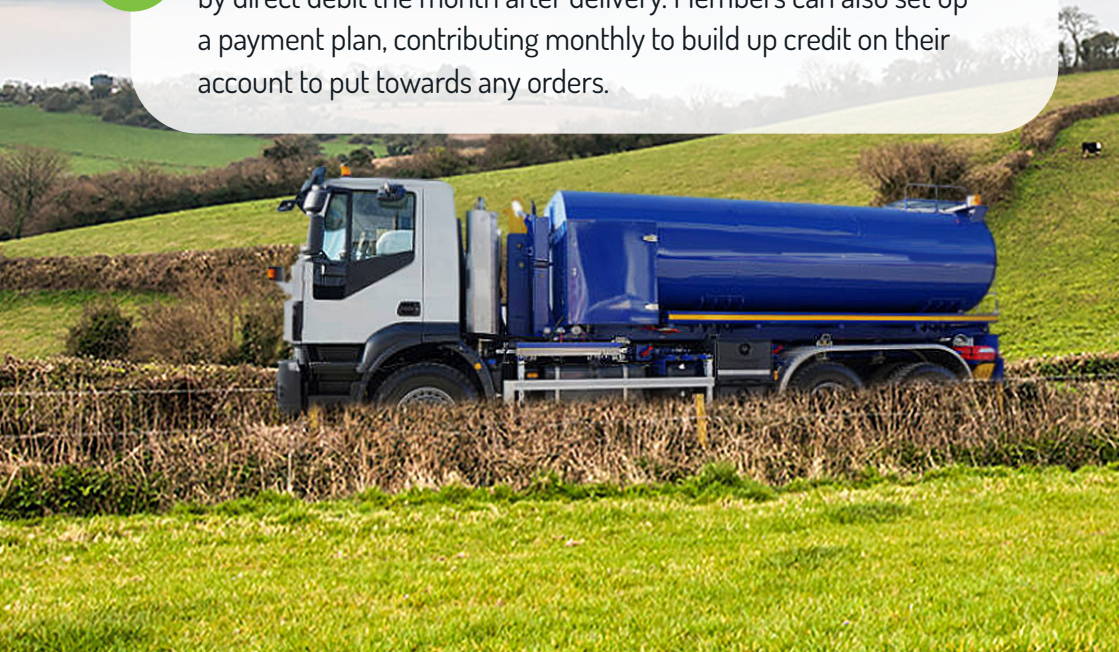

SIMPLE ORDERING PROCESS

A VOLUNTEER COORDINATOR BASED IN YOUR COMMUNITY – most areas benefit from a volunteer coordinator – this means more support in your community, particularly for the elderly and vulnerable. The CFO team is also on hand to give advice, whether you already have a coordinator or not.

EASY PAYMENT OPTION – payment to our oil buyers is made by direct debit the month after delivery. Members can also set up a payment plan, contributing monthly to build up credit on their account to put towards any orders.

TOTAL FUEL PACKAGE – GREAT VALUE!

Our fuel buyers use their bulk buying power to provide excellent pricing on a range of products. Contact us for quotes on:

- LPG – bottled and bulk
- Fuel additives
- Coal
- Electricity
- Wood products, such as kiln dried wood
- Rock salt

MEMBERSHIP FEE:

To join the scheme there is a **yearly membership fee of £24.00**.

This helps CFO to achieve our vision: supporting communities to find solutions to their planning, housing, social action, and service needs.
